

Narrow Cycle Lane Defender Lite

Narrow Cycle Lane Defenders · 1000 × 235 mm

NCLD Lite delivers the proven benefits of the full-size defender in a compact, lightweight format. At 24 kg, one installer can carry, position and fix each unit without mechanical lifting, and the 1 m length allows precise positioning on tighter radius corners and complex junctions. Available in black or grey, with a retroreflective glass cats eye included as standard along with an M24 boss for sign or bollard mounting.

SPECIFICATION

Product code	NCLD Lite
