

One-Piece Speed Cushion

Speed Cushions · 1650 × 2000 mm

The only one-piece rubber speed cushion manufactured in the UK. The 1650 mm width slows cars to around 20 mph while letting buses and emergency vehicles straddle the cushion with little or no deflection. Moulded as a single solid unit with an M16 lifting hole, it is surface-fixed with adhesive and bolts in under 30 minutes — and can be lifted before resurfacing and reinstalled afterwards.

SPECIFICATION

Product code	SC-1650-2000
Plan dimensions	1650 × 2000 mm
Height	65 or 75 mm
Weight	170 kg (65 mm) / 180 kg (75 mm)
