

One-Piece Traffic Island

Traffic Islands · 1000 × 2032 mm

The TI-2000 is a racetrack-profile one-piece island with fully radiused ends (R500), suited to central splitter and pedestrian protection duties where traffic passes on both sides. The heaviest island in the range, it is moulded as a single solid rubber unit and installs directly onto the carriageway without excavation.

SPECIFICATION

Product code	TI-2000
